

SEAT Leon CUPRA.

Unleash the beast.

SEAT's engineering and design collide intensely to create the SEAT Leon CUPRA. A whole new level of precision and agile driving performance are combined with intensity and power. The SEAT Leon CUPRA's raw and passionate character is reflected in every aspect and detail of the vehicle's interior and exterior.

The exceptional new 290 HP dual-injection TSI engine accelerates the New SEAT Leon CUPRA from 0-100 km/h in a lightning-fast 5.7 seconds, making it the most powerful series-production sports car we've ever built.

Fully equipped with the best technology, the SEAT Leon CUPRA is packed with features that promise the most enjoyable driving experience ever.

Design.

01 CUPRA front Grill, a detailed grill that delivers style and attitude which includes the CUPRA's signature badge.

02 Distinctive CUPRA Full LED Head lights that exudes sportiness while enhancing visibility.

03 Wide range of alloy wheels to match the look of your CUPRA.

04 The double pipes bring the "Ready to race" touch to the CUPRA's appearance, improve performance and also give the CUPRA a distinctive and appealing roar.

05 Aestheticly crafted rear spoiler provides your CUPRA with an aerodynamic look and racing vibe.

06 Black interior decorative moulding and frame for a bold and distinctive look.

Technology.

01 290 HP TSI Turbo Engine
with 350 Nm of torque combines both raw power and fuel efficiency.

02 DSG Gearbox for smoother gear changes without losing power flow, better fuel economy and lower CO₂ emissions.

03 Digital cockpit
High-res digital instrumental cluster for all the driving information you need right in front of you.

04 CUPRA drive profile
adapts to you. CUPRA, Sport, Comfort and Individual drive modes let you make the most of the ride by offering the perfect setting for every road.

05 SEAT Full Link
8" Touch display screen with SEAT Full-link Connectivity for all your Infotainment needs on the go.

06 The front differential lock transfers power to the outer wheel when cornering, optimising traction and power.

Safety.

01 Tiredness recognition system detects driver's fatigue and alerts driver to take a break.

02 Rear view parking camera for an extra pair of eyes to view hidden obstacles when parking.

03 9 airbags for driver's complete protection.

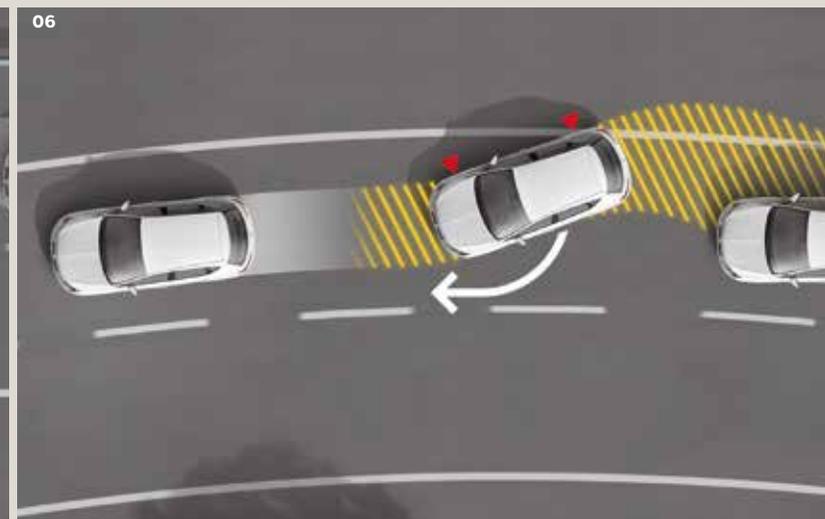

04 Cruise control allows the car to travel at a constant speed, without the need to use the pedals during long journeys this results in a much more relaxed and safe journey.

05 Multi-collision braking system automatically stops the car in an event of an impact.

06 Electronic stability control uses sensors to monitor the speed of the wheels and direction of the car and takes over in case if they detect the car is starting to slip.

Technical data and equipment.

Engine	2.0 TSI 290 HP (213 kW)
Cylinder/Valve (total)	4/16
Displacement (cc)	1,984
Transmission	6-SPD Automatic (DSG)
Maximum power (KW (HP)/rpm)	213 (290) / 5,900 - 6,400
Maximum torque (Nm/rpm)	350/1,700 - 5,800
Fuel supply system	Turbo Stratified Injection (TSI)

Performance	
Top speed (km/h)	250
Acceleration 0-100 km/h (s)	5.7
Turning Radius (m)	5.25

Fuel consumption	
Combined (l/100 km)	6.6 (15.1)
CO ₂ Emission Combined (g/km)	154
Fuel Tank Capacity (l)	50
Emission control	EURO 6

Chassis	
Length/width/height (mm)	4,281/1,816/1,435
Boot capacity (l)	380
Front and rear brakes	Front ventilated disc/Rear solid disc
Front suspension	MacPherson
